RITA A. FORD

Dear Sir
Contemporary Music is so important
I feel as a grandmother for
my grandchildren. They love music
& I want the Godly words to
move their hearts & live forever.

Thank you

DOCKET FILE COPY ORIGINAL

DEAR MEMBERS OF THE FCC, I AM WRITING THIS LETTER IN REQUEST FOR SPECIAL CONSIDERATION TO BE GIVEN FOR A CONTEMPORARY CHRISTIAN RADIO STATION IN VINTON IOWA.

IN EASTERN IOWA, MYSELF LIVING IN WESTERN ILL, (AN AREA WE CALL THE QUAD CITIES) THERE IS A WIDE ARRAY OF LISTENING CHOICES, EXCEPT, NO CONTEMPORARY CHRISTIAN STATIONS, I ASK YOU TO PUT YOURSELF INTO OUR SITUATION, CONSIDER WHATEVER TYPE OF RADIO THAT YOU ENJOY MOST, THEN IMAGINE NEVER BEING ABLE TO LISTEN TO THAT TYPE OF FORMAT, NOT EVEN A WEAK SIGNAL FROM A DISTANT CITY (IT'S JUST NOT THERE). I UNDERSTAND THAT THERE ARE ONLY A LIMITED NUMBER OF LICENCES AVAILABLE, AND THAT THIS ONE IS OR MAY POSSIBLY BE AVAILABLE TO THE HIGHEST BIDDER, (HENCE THE PURPOSE FOR THIS LETTER).

A NON-PROFIT, NON-COMMERCIAL, CONTEMPORARY CHRISTIAN RADIO STATION IS PROBABLY NOT THE FIRST THING THAT COMES TO MIND WHEN SOMEONE THINKS OF A "HIGHLY PROFITABLE" BUSINESS VENTURE, THUS, FINANCIAL HARDBALL WITH THE "BIGGER BOYS" ISN'T REALISTIC OR PRACTICAL. I URGE YOU TO THOUGHTFULLY CONSIDER THE DESIRES OF ALL WHO WILL "TRULY USE" THIS SIGNAL IN YOUR DECISION.

THANK YOU FOR YOUR TIME AND CONSIDERATION,

SINCERLY,

LYLE AND KAREN PEMENT

General Docket #90-264

Dear FCC:

I am writing in favor of Eternity Broadcasting Foundation receiving a license to broadcast in Eastern Iowa, Vinton, Iowa. I would like to see them considered on the basis of "need" rather than price. The radio stations in this area are less than desirable. Two stations "pipe" in morning show programs that should carry parental discretion warnings. (CD's, Movies, Videos, and even TV now have these warnings, why not radio?) Broadcasting between the hours of 5 and 9 a.m. should be considered as "family" listening times. Many adults are preparing for and traveling to work, with just as many children preparing for and driving to school. During this time of the morning, I have come across two stations that have vulgar and/or sexually explicit programming. For example, I heard one station recite a poem about sex in an elevator that made specific references to oral sex, and another station interviews people about subjects such as anal sex and is constantly vulgar and disrespectful to women. We need stations in the area to combat this distasteful programming and give our kids an alternative where they can hear the kind of music they like without the vulgarity, and even better yet, they can hear a POSITIVE message.

Please consider Eternity Broadcasting, so we can once again enjoy contemporary Christian music in this area.

Sincerely,

Lisa Johannsen

To whom it may concern,
As a mother of
teenagers and two
youngest children I

have a concern for them.

One concern that I have I

believe you could help me

on it you chose to. That

concern is music. I think

we all agree that music has

a huge impact on our

lives. We all have our

different styles but the

important thing that we can

all agree on is the message

that the words are saying.

We need to provide the

Quad Cities with a radio

station that would be a

positive to us all. I am

aware that it could be

possible. It is up to you now.

Community Broadcasting Foundation

has applied for a license to

bring us music with a positive

influence on us all but their

hands are tied unless you make
a decision to grant them the
license. I plead with you on
behalf of my children and those
in our area to grant this license.

We already had a very broad
range of music in our area but
we have nothing of this kind.

Before making your decision
consider what will the other
stations offer our area and we
will agree that we need to
have Contemporary Christian music
in our area.

Thank you,
Mrs. Donner

To whom it may concern:

I am writing in regards to the petition filed NOV. 1, 97 to obtain a license for a non-commercial radio station in Union, Ia. We had a similar format in our area a few years ago & it is sorely missed. This type of programming promotes good moral values & fills the air waves with a positive alternative to some of the other music choices available today. It would be the only station of its kind in this area. I hope that you'll consider these factors when issuing this license.

Sincerely,

Lucky Blankenship

To Whom it may concern:

I would like you to consider granting a license to EBF (Eternity Broadcasting Foundation) in their request to bring a contemporary christian radio station to the Eastern Iowa region where I live.

I understand there are many companies in the area who have requested license approval - but I wish to make known how valuable I personally feel about my request. I have worked with young people in my area for over 15 years and would love to see them provided with a positive christian music alternative that EBF can provide; upon approval for a license in Vinton, IA.

Obtaining this license request to EBF would enable the Quad City area a positive christian message that has been needed for a long time. Please grant EBF the license they need to reach out to our area.

Thank you for your consideration.
